MEMORANDUM

DATE: For the June 9, 2026, Commission Meeting

TO: Members, Wisconsin Elections Commission

FROM: Wisconsin Elections Commission Staff

SUBJECT: Ballot Access for the 2026 General Election

This memorandum presents a summary of important information regarding candidates requesting ballot access from the Wisconsin Elections Commission ("the Commission) for the 2026 General Election.

Summary

The deadline for filing candidacy paperwork for the 2026 General Election, as required by Wis. Stat. § 8.15(1), was Monday, June 1, 2026. Candidates could start circulating their nomination papers on Wednesday, April 15, 2026.

A total of 393 candidates applied to run for 129 state and federal offices. 60 of those candidates ultimately did not submit any nomination papers with the Commission.

The number of sets of papers received by week is set out below:

Notifications of Noncandidacy- Extended Deadlines

Nineteen incumbents filed notifications of noncandidacy with the Elections Commission by Friday, May 22, 2026, deadline. Notifications of Noncandidacy are filed by incumbents who are not seeking re-election to the office they currently hold, including incumbents whose district number was changed due to the implementation of new State Senate districts in 2024. If an incumbent officeholder does not timely file a Notification of Noncandidacy and subsequently does not file nomination papers, there is a 72-hour

extension of the filing deadline for candidates other than the incumbent. Wis. Stat. § 8.15(1). A reminder of the Notification of Noncandidacy deadline was sent to all incumbents prior to the deadline. A listing of candidates who filed notifications of noncandidacy is included with this memo in *Appendix A*.

Four incumbents did not timely file either nomination papers or a notification of noncandidacy, which resulted in a 72-hour extension for the offices of Lieutenant Governor, Representative in Congress, District 7, and Representative to the Assembly, Districts 50 and 56. No candidates filed during the extension period, which expired at 5:00 p.m. on Thursday, June 4, 2026.

Four challenges were filed against candidates running in Representative in Congress, District 7 and Representative to the Assembly, District 50, with three of the challenges filed during the extended timeline. The Commission will determine ballot access for the three challenges filed during the extended timeline at their June 10, 2026, meeting.

Nomination Paper Review

In reviewing the nomination papers, staff examined each candidate's submission to determine that it contained a valid number of signatures for the office.

- Candidates for **Statewide offices** must file a minimum of **2,000** valid signatures of qualified electors of the state to qualify for ballot access. Wis. Stat. § 8.15 (6)(a).

- Candidates for **Representative in Congress** must file a minimum of **1,000** valid signatures of qualified electors from the district to qualify for ballot access. Wis. Stat. § 8.15(6)(b).

- Candidates for **State Senator** must file a minimum of **400** valid signatures of qualified electors from the district to qualify for ballot access. Wis. Stat. § 8.15 (6)(c).

- Candidates for **Representative to the Assembly** must file a minimum of **200** valid signatures of qualified electors from the district to qualify for ballot access. Wis. Stat. § 8.15(6)(d).

In addition to filing sufficient nomination paper signatures, each state candidate is also required to file a Declaration of Candidacy (EL-162) with the WEC and file a Campaign Registration Statement (CF-1), and a Statement of Economic Interests (SEI) with the Wisconsin Ethics Commission in order to qualify for ballot access. Wis. Stat. §§ 8.21, 11.05(2g), 19.43(4).

Statements of Economic Interests were due at the Ethics Commission office by Thursday, June 4, 2026, for state-level candidates. If a 2026 Statement of Economic Interest (SEI) was already filed with the Ethics Commission for another purpose, that SEI was used to fulfill the filing requirement. Federal candidates are only required to file a Declaration of Candidacy in addition to their nomination papers. Wis. Stat. § 8.21. The Wisconsin Ethics Commission reported that one candidate failed to file a Statement of Economic Interest by June 4, and this omission is reflected in the "Candidates Tracking by Office" report in *Appendix B*. Failure to file any required ballot access document prevents the candidate's name from appearing on the ballot. Wis. Stat. § 8.30.

Staff reviewed nomination papers in accordance with Wis. Admin. Code § EL 2.05, which was recently revised to improve consistency, clarity, and transparency in the administration of ballot access requirements. A copy of the administrative rule can be found in *Appendix C*. The updated rule largely codifies existing Commission guidance and past decisions, including standards for facial review of petitions, substantial

compliance, correcting affidavits, common nomination paper challenges, and the sufficiency of nomination paper headers. By providing clearer definitions and procedures, the rule helps ensure that all candidates and challengers are evaluated under the same standards and can rely on a consistent framework during the nomination paper review and challenge process.

Signatures were struck for a variety of issues including but not limited to, incomplete addresses or dates, addresses that are located outside of the district, illegible printed name or an incomplete certification of the circulator. The nomination paper review guide that staff use for guidance when reviewing petition pages has been provided to you along with the materials prepared for this meeting. Wis. Admin. Code EL § 2.05 does not require the review process to include the identification and elimination of duplicate signatures or signatures from individuals who are ineligible to vote due to age, residency, citizenship, or other disqualifying factors.

It has been the policy of the staff of the Wisconsin Elections Commission to review all nomination papers and determine sufficiency within one business day of submission. Further, for papers received on deadline day, a determination regarding sufficiency was either made before staff retired for the evening or on the day following the deadline. Each submitted petition is subject to two rounds of review by staff before sufficiency is determined. Staff reviewed the majority of all submitted petitions the same day they were submitted to the WEC.

It has also been the policy of Commission staff to process correcting affidavits within one business day of submission. Candidates can submit sworn corrections to voter or circulator information that may be incorrect or missing. Information in the header of the petition cannot be corrected through a correcting affidavit as signers relied on that information to determine their ability to sign the petition. Sixteen candidates filed correcting affidavits by the deadline on June 7, 2026. All correcting affidavits were promptly reviewed by staff. The signature totals in the "Valid Signatures" column in *Appendix B* includes any signature that was ultimately considered valid either through initial staff review or through a correcting affidavit.

In total, staff found over 216,000 valid signatures as part of the 333 submitted petitions. This total does not include signatures that were reviewed by staff but were not considered valid. By the deadline for filing nomination papers, 112 candidates had also filed additional supplemental nomination papers or correcting affidavits.

An appointment-based system was used to stagger visits to our office and decrease the likelihood of congestion at the front desk and in meeting space areas for each day of the filing period, except for the June 1 deadline when candidates were processed in order of arrival. Candidates without appointments were also accommodated throughout the filing period and no candidate was turned away for lack of an appointment. WEC staff is pleased to report that all petitions were reviewed and made available to the public to review on badgervoters.wi.gov the same day they were filed.

Nomination Paper Copy Requests

In order to facilitate requests for copies of nomination papers, staff made candidate petitions, declarations of candidacy, and correcting affidavits available for download via the Badger Voters data request site (https://badgervoters.wi.gov/). After the review process was complete, each petition was scanned and uploaded to the site and available for download by the public at no cost to the requestor. All challenges, replies, supplemental papers, and correcting affidavits were also made available to the public on badgervoters.wi.gov. Requesters are not charged for this information.

Irregularities in Ballot Access Documents Not Affecting Ballot Status

During review of nomination papers and other ballot access documents, WEC staff identified the following irregularities, none of which affected ballot status:

Name of Office Sought

- As has been the previous practice of the Commission, staff accepted for differences in listing of office titles, such as "Assembly," "State Assembly," "State Representative," "Senate," "Senator," and "House of Representatives".

Printed names of signers on nomination papers appear to be written by the circulator.

- Staff continue to find printed names of signers and address information that appear to be in the same handwriting as the circulator. Wis. Stat. § 8.10 (4)(b), requires the printed name and address information to be made by the signer of the petition, unless the signer requests assistance in signing or printing their name and address. As in past elections cycles, staff did not strike such signatures. Had staff struck the signatures for this reason, each candidate would still have sufficient signatures.

Staff Recommendations for Approval of Ballot Access

Once the Commission considers each of the challenges, they will next consider approving ballot access for all candidates who qualify. A list of candidates recommended for ballot status is included with this memorandum in *Appendix B*. Staff requests the Commission affirmatively approve the ballot status of those candidates listed who have met or exceeded the minimum valid signatures and have filed all necessary ballot access documents. Candidates that the staff have determined meet the required ballot access requirements are marked as "approve" on the report.

The deadline for challenges to ballot access was Thursday June 4, 2026, for offices without a filing deadline extension. Twenty-two challenges were filed with the Commission by the applicable deadline. The Commission may have chosen to add or remove candidates from this list as part of the challenge determination process.

This listing includes candidates whose nomination papers contain nominal issues such as form template issues, improper but common replacements for office titles, and suspiciously similar handwriting. During its rounds of review, Commission staff determined that these minor issues were not detrimental to the sufficiency of the papers, and that the papers substantially complied with all requirements under the applicable laws and administrative code provisions.

Recommended Motion #1: The 301 candidates representing ballot-status parties marked "approve" on the "Candidates Tracking by Office" report in *Appendix B* are approved for ballot access for the August 11, 2026, Partisan Primary, in addition to any candidates who were subject to challenge but were ultimately approved for ballot access by the Commission.

Recommended Motion #2: The 11 candidates not representing ballot-status parties marked "approved" on the "Candidates Tracking by Office" report in *Appendix B* are approved for ballot access for the November

3, 2026, General Election, in addition to any independent candidates who were subject to challenge but were ultimately approved by the Commission.

Staff Recommendations for Denial of Ballot Access

Staff requests the Commission affirmatively deny the ballot status of those candidates listed who have not met the minimum number of valid signatures, have not filed all necessary ballot access documents or are otherwise do not meet the statutory requirements to be placed on the ballot. Candidates that staff have determined do not meet the required ballot access requirements are marked as "deny" on the report.

Recommended Motion #4: The 66 candidates representing ballot-status parties and independent candidates marked "denied" on the "Candidates Tracking by Office" report in *Appendix B* are denied ballot access for the August 11, 2026 Partisan Primary and the November 3, 2026 General Election respectively, in addition to any candidates who were subject to challenge but were ultimately denied ballot access by the Commission.

EL 2.05 Treatment and validity of nomination papers. (1) DEFINITIONS. In this section:

(a) "Address" means the street and number, if any, and municipality for voting purposes, all of which shall be accurate.

(b) "Affidavit" means a document sworn to before a person authorized to administer oaths, or a document declared pursuant to s. 887.015, Stats.

(c) "Calendar day" includes every day of a given time period, including Saturdays, Sundays, and legal holidays.

(d) "Certification" means a sworn statement, or declaration pursuant to s. 887.015, Stats., under applicable Wisconsin law confirming that the qualified circulator met and complied with all requirements under s. 8.15 (4) (a), Stats.

(e) "Clear, satisfactory, and convincing evidence" means evidence which when weighed against that opposed to it clearly has more convincing power to a reasonable degree of certainty. A "reasonable certainty" means persuasion based upon a rational consideration of the evidence. Absolute certainty is not required, but a guess is not enough to meet this burden of proof. Clear, satisfactory, and convincing evidence cannot be shown by bare assertions unsupported by a sworn affidavit or declaration.

(f) "Correcting affidavit" includes a declaration pursuant to s. 887.015, Stats.

(g) "Elector" means an eligible voter of the State of Wisconsin, as determined by the qualifications of ss. 6.02 and 6.03, Stats., for the election in which the candidate is seeking ballot access.

(h) "Facially sufficient" means that the information provided is substantially compliant with proper format and does not bear any indicia of facial invalidity. In this paragraph, indicia of facial invalidity means that at least one element of required information is missing, illegible, or obviously incorrect.

(i) "Filing officer" means the Wisconsin elections commission for any federal or state office or referendum, the county clerk for any county office or referendum, the municipal clerk or the board of election commissioners for a municipal office or referendum, and the school district clerk for a school board office or referendum.

(j) "Header" refers to the portion of the nomination paper required by ss. 8.10 (2) (b) and 8.15 (5) (a), Stats., that contains the candidate's name; candidate's residential address; candidate's municipality for voting purposes; candidate's mailing address, including state and ZIP code, if different than their residential address; type of election; election date; office sought; and name of jurisdiction or district in which candidate seeks office.

(k) "Local filing officer" means a filing officer other than the Wisconsin elections commission.

(L) "Nickname" has the meaning set forth in s. 5.02 (12m), Stats., and means a familiar or shortened form of a proper name by which an individual is commonly known.

(m) "Nomination paper" means a petition to collect eligible signatures from persons who wish to nominate a candidate for an upcoming election.

(n) "Printed name" means a handwritten name that is legible, such that the signer's name can be discerned by the filing officer.

(o) "Qualified circulator" has the meaning given by s. 5.02 (16g), Stats., and means a qualified elector of this state or any U.S. citizen age 18 or older who, if he or she were a resident of this state, would not be disqualified from voting under s. 6.03, Stats.

(p) "Signature" means a tangible symbol made by a signer or their designee as authorized by sub. (6) (b), that evidences the signing of a nomination paper.

(q) "Signer" means a person who chooses to place their signature and related information on a nomination paper to support a candidate seeking ballot access.

(r) "Substantial compliance" means actual compliance in respect to every reasonable objective of the statute. Substantial compliance with a statute is not shown unless it demonstrates intent to fully comply with the statute and that the purpose of the statute is shown to have been served.

(s) "Voting municipality" means that municipality that a signer is eligible to vote in for an election held on the date of signing as determined by the filing officer.

(2) PURPOSE. This section is promulgated pursuant to the direction of, and under the authority granted by, s. 8.07, Stats., and is to be used by filing officers in determining the validity of all nomination papers and the signatures and information on those papers.

(3) FILING NOMINATION PAPERS. (a) *Candidate responsibility.* Each candidate for public office bears responsibility for assuring that their nomination papers are prepared, circulated, signed, and filed in compliance with applicable statutory provisions and requirements under the administrative code.

(b) *Physical possession.* In order to be timely filed, all nomination papers shall be in the physical possession of the filing officer by the statutory deadline. Physical possession means the filing officer shall have taken possession of the original nomination papers. No other format is acceptable.

(c) *Numbering pages.* Each of the nomination papers shall be numbered, before they are filed, and the numbers shall be assigned sequentially, beginning with the number "1". Notwithstanding any other provision of this chapter, neither the absence of a page number nor incorrect or non-consecutive numbering will invalidate the page or the signatures on that page.

(4) VALIDITY OF NOMINATION PAPERS, GENERAL. (a) *Reviewing number of signatures.* 1. 'Review of papers for facial sufficiency.' The filing officer shall review all nomination papers filed with him or her, up to the maximum number permitted by the statute applicable to the relevant office, to determine the facial sufficiency of the papers filed. The filing officer shall uti-

lize the procedure in ss. 8.10 (7) and 8.15 (9), Stats., for determining the maximum number of signatures necessary to establish whether the candidate has collected enough valid signatures. In determining facial sufficiency, the filing officer may consult maps, directories, and other extrinsic evidence to ascertain the correctness and sufficiency of information on a nomination paper, where circumstances and the time for review permit.

2. 'Facial review not binding.' Nothing in subd. 1. shall constitute a defense against a challenge to the validity of nomination papers. Facial review completed by a filing officer before the filing deadline is done as a courtesy only and does not bind a filing officer to a final determination of ballot access.

(b) *Presumption of validity.* Any facially sufficient information which appears on a nomination paper is entitled to a presumption of validity.

(c) *Substantial compliance.* Where any required item of information on a nomination paper is incomplete, the filing officer shall accept the information as complete if there has been substantial compliance with applicable statutes and the administrative code.

(d) *Removing signatures.* After a nomination paper has been signed, but before it has been filed, a signature may be removed by the signer or the qualified circulator. After a nomination paper has been filed, no signature may be added or removed. After a nomination paper has been filed, it may be amended, or an error or omission corrected, only through a valid correcting affidavit.

(5) CORRECTING AFFIDAVITS. (ag) *Generally.* Notwithstanding any other provision of this chapter, errors or omissions in information contained in a nomination paper, committed by either a signer or a qualified circulator, may be corrected by an affidavit of the qualified circulator, an affidavit of the candidate, or an affidavit of the signer. The person giving the correcting affidavit shall certify that they have personal knowledge of the correct information. Defects in the header of a nomination paper may not be changed or amended by affidavit after the paper has been circulated.

(ar) *Deadline.* Pursuant to s. 227.27 (1), Stats., it is the manifest intent of the commission that s. 990.001 (4), Stats., does not apply to the deadlines in this subsection. Any correcting affidavit shall be filed with the filing officer not later than 5 p.m. central time on the 3rd calendar day after the applicable statutory due date for when a challenge to nomination papers may be filed. Correcting affidavits may be submitted electronically. If a correcting affidavit is submitted on a Saturday, Sunday, or legal holiday, it shall be submitted via facsimile transmission or electronic mail directly to the filing officer.

(b) *Correcting nomination papers not necessary.* If a correcting affidavit is submitted, it amends the affected nomination papers on its own, and it is not necessary for the filing officer to edit or mark the nomination papers to be consistent with the changes in the affidavit.

(c) *Determination.* The filing officer shall determine whether any correcting affidavit resolves the identified error or omission.

(d) *No new signatures.* Correcting affidavits may not provide new or additional signatures or signature pages in addition to what was originally submitted to the filing official.

(6) VALIDITY OF NOMINATION PAPERS, SIGNATURE LINES. (a) *Number of signatures.* Nomination papers shall contain at least the minimum required number of signatures from the circuit, county, district or jurisdiction which the candidate seeks to represent.

(b) *Who may sign.* A signer shall sign his or her own name unless unable to do so because of physical disability. A signer unable to sign because of physical disability shall be present when another person signs on behalf of the signer and shall specifically authorize the signing.

(c) *No signing for spouses.* A person may not sign for his or her spouse, or for any other signer, even when they have been given a power of attorney by that signer, unless par. (b) applies.

(d) *Only one signature per signer.* Only one signature per signer for the same office is valid, except that where a signer is entitled to vote for more than one candidate for the same office, that signer may sign the nomination papers of as many candidates for the same office as the signer is entitled to vote for at the election.

(e) *Accompanying information.* Each signature on a nomination paper shall be accompanied by the signer's address, printed name, and date of signature.

(f) *Ditto marks or "same."* A signature shall be counted when identical residential information or dates of signature for different signers are accurately indicated by ditto marks**,** another form of punctuation, or if an adjacent signer writes "same" or similar words to indicate that the residential information or signature dates are identical.

(g) *Impact of qualified circulator signature.* No individual signature on a nomination paper may be counted if the signature is dated after the date that the qualified circulator completed and signed the certification contained on the nomination paper. Any signature that is dated on or before the date of the qualified circulator certification may be counted even if it appears on the same page as signatures dated after the circulator certification. The qualified circulator shall provide their residential address. No signature on the page may be counted when the residential address of the qualified circulator cannot be determined by the information given on the nomination paper. No signature may be counted if the date of qualified circulator certification is incomplete or incorrect.

(h) *Invalid individual signatures.* An individual signature on a nomination paper may not be counted when any of the following occurs:

1. 'Missing date.' The date of the signature is missing, unless the date can be determined by reference to the dates of any of the other signatures on the paper, including those dates above or below the signature.

2. 'Dated after qualified circulator certification.' The signature is dated after the date on which the qualified circulator signed the certification.

3. 'Missing or incomplete address.' The address of the signer is missing or incomplete, unless the address can be determined by the information provided on the nomination paper. If the signer has abbreviated the name of their municipality, the address is substantially compliant provided the municipality can be determined from other information contained on the nomination paper. Neither apartment number nor state and ZIP Code is required.

4. 'Unqualified elector.' The signer has been adjudicated not to be a qualified elector on the grounds of incompetency or limited competency as provided in s. 6.03 (3), Stats., or was not, for any other reason, a qualified elector at the time of signing the nomination paper. If the signatory becomes an unqualified elector after signing the nomination paper, the signature should not be struck because the signer was a qualified elector when they signed.

5. 'Improper residence.' The signer resides outside the circuit, county, district or jurisdiction that the candidate seeks to represent.

6. 'Legibility.' If the filing officer cannot discern the signer's first and last name, after reviewing both the signature and printed name, it is illegible pursuant to s. 8.10 (4) (b) or s. 8.15

Published under s. 35.93, Wis. Stats., by the Legislative Reference Bureau.

(2), Stats., and shall not be counted. The filing officer is not required to consult extrinsic sources of information to attempt to discern the signer's name but may do so in their discretion if it assists in discerning a possible name.

7. 'Nicknames and initials.' If the signer has used a nickname or initials for their first or middle name, whether in their printed name or their signature, the printed name or signature is substantially compliant provided the printed name or signature complies with subd. 6. No nickname or initial is considered substantially compliant for the signer's last name.

8. 'Age of signer.' No person under the age of 18 may sign nomination papers. Age is determined on the date of signature, not based on the date of election.

(i) *Death of the signer.* The death of a signer after a nomination paper has been signed does not invalidate the signature.

(7) VALIDITY OF NOMINATION PAPERS, HEADER. (a) *Office title and district designation.* As to office title and district designation, the header of a nomination paper is valid as long as the filing officer finds that the signers could determine the office and district the candidate was pursuing based solely upon information provided in the header.

(b) *Election date.* When the date of the election is entirely missing from the header of any nomination paper, the filing officer shall not count any of the signatures on the page. Incomplete or incorrect election dates can be found substantially compliant if the filing officer finds that signers could have determined the correct election date based solely upon information provided in the header.

(c) *Candidate name.* The candidate shall provide their last name and first name. They may provide a nickname or initial for their first or middle name. In addition to their name, they may provide a former legal surname. The candidate may not provide any other abbreviations or titles.

(d) *Candidate address.* A candidate shall provide their residential address, their mailing address, if different from their residential address, and their voting municipality in the header of each nomination paper. The residential address shall be the street address where the candidate resides; no other address is acceptable in lieu of a residential address.

(e) *Candidate information or advertising.* The filing officer shall accept nomination papers which contain biographical data or campaign advertising. A nomination paper is substantially compliant if it does not contain the disclaimer specified in s. 11.1303 (2), Stats.

(f) *Political party of candidate.* If the race is for partisan office, the header shall include the political party of the candidate. If the race is for a non-partisan office, the header shall not include the political party of the candidate.

(8) VALIDITY OF NOMINATION PAPERS, OTHER ISSUES. (a) *Gender not required.* Failure to provide an indicator of a candidate's gender in the header does not invalidate any nomination papers.

(b) *Missing date of qualified circulator.* If the date of qualified circulator certification is incomplete or incorrect, the nomination paper is not substantially compliant, and no signatures on that page may be counted, subject to sub. (5).

EL 2.06 Treatment and sufficiency of declarations of candidacy.

(1) DEFINITIONS. (a) All applicable definitions from s. EL 2.05 (1) are incorporated into this section.

(b) In this section, "declaration of candidacy" means a document that meets the requirements of s. 8.21, Stats., and is filed by any candidate, except a presidential elector, seeking local, state, or federal office.

(2) FILING OF DECLARATION OF CANDIDACY. (a) *Candidate responsibility.* Each candidate for public office has the responsibility to assure that his or her declaration of candidacy is prepared, sworn, signed and filed in compliance with statutory and other legal requirements. A candidate may file his or her declaration of candidacy by proxy.

(b) *Physical possession.* In order to be timely filed, a declaration of candidacy shall be in the possession of the filing officer by the statutory deadline. Emailed or faxed copies of a declaration of candidacy will be accepted pursuant to s. EL 6.04 (2) and (3). An amended declaration of candidacy filed pursuant to s. 8.21 (6), Stats., does not make the declaration of candidacy untimely filed so long as the original declaration of candidacy was filed by the statutory deadline.

(3) SUFFICIENCY OF DECLARATION OF CANDIDACY, GENERAL. (a) *Reviewing the declaration of candidacy.* The filing officer shall review a declaration of candidacy filed with him or her to determine the facial sufficiency of the declaration filed. Nothing in this paragraph shall constitute a defense against a challenge to the sufficiency of a declaration of candidacy. Facial review completed by a filing officer before the filing deadline is done as a courtesy only and does not bind a filing officer to a final determination of ballot access.

(b) *Presumption of validity.* Any facially sufficient information which appears on a declaration of candidacy is entitled to a presumption of validity.

(c) *No correcting affidavits.* Errors in information contained in a declaration of candidacy may only be if the candidate or their proxy files an amended declaration of candidacy. A declaration of candidacy cannot be amended by filing a correcting affidavit.

(d) *Missing information.* The declaration of candidacy shall contain all of the information required by s. 8.21, Stats. If it does not, the filing officer shall not accept it. If the declaration of candidacy is not accepted by the filing officer, the filing officer shall contact the candidate to inform them of that fact as well as to provide the reason it could not be accepted. This paragraph does not apply if there are errors in the sworn certification made before any officer authorized to administer oaths.

(4) SUFFICIENCY OF DECLARATION OF CANDIDACY, CERTIFICATION INFORMATION. (ag) *Definition.* In this subsection, "certification information" means the candidate's name and the official name of the office sought.

(ar) *Candidate name.* A candidate shall provide their name in the form specified under s. 8.10 (2) (b), Stats., for candidates for nonpartisan office or s. 8.15 (5) (a) or 8.20 (2) (a), Stats., for candidates for partisan office.

(b) *Office sought.* A candidate shall provide the named office required by s. 8.21 (2) (a), Stats. The named office shall include the district, branch, or seat number, as follows:

1. 'Legislature.' For legislative offices, the named office shall include the title and district number.

2. 'District attorneys.' For district attorneys, the named office shall include the title and the county.

3. 'Circuit court judges.' For circuit court offices, the named office shall include the title, county, and branch number.

4. 'Municipal offices.' For municipal and school board offices, the named office shall include the title and any district seat number.

(5) SUFFICIENCY OF CANDIDATE ADDRESS AND NAME ON BALLOT. (a) *Address.* State and local candidates shall provide their residential address and municipality for voting purposes. The residential address shall include the street and number, and cannot be a post office box or other address at which the candidate does not reside. This information is not required for federal offices.

(b) *Name on ballot.* A candidate shall include their name in the form in which it will appear on the ballot. The candidate's preferred ballot name cannot contain the word "incumbent," include a professional title, or include an attempt to manipulate the electoral process. An intended name containing a nickname or initial, middle name, or former legal surname is permitted, provided that it does not include quotation marks or parentheses.

EL 2.07 Challenges to nomination papers.

(1) DEFINITIONS. (a) All definitions set forth in s. EL 2.05 are incorporated herein by reference.

(b) In this section:

1. "Business day" means any calendar day except Saturday and Sunday, and except the following business holidays: New Year's Day, Martin Luther King Jr.'s Birthday, Washington's Birthday, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day, Thanksgiving, and Christmas.

2. "Challenge" means that filing before a filing officer made by a person or organization contesting the legal validity of a candidate's nomination papers.

3. "Challenger" means the person or organization filing a challenge.

4. "Rebuttal affidavit" means an affidavit submitted by a challenger addressing those arguments or facts raised by the challenged candidate in the candidate's response to the challenge.

6. "Response" means a filing or submission by a challenged candidate to rebut the allegations made in a challenge.

7. "Verified" means a document that is sworn to before a person authorized to administer oaths or declared pursuant to s. 887.015, Stats.

(2) CHALLENGE FILED WITH FILING OFFICER. Any challenge to the validity of nomination papers brought under this section shall be filed with the appropriate filing officer by the challenger or by the challenger's proxy or legal representative. The filing officer shall apply the standards in s. EL 2.05 to determine the validity of nomination papers with the exception of s. EL 2.05 (4) (b). The filing officer shall make filed nomination papers available for public inspection, either physically or electronically, within 1 business day of when they are filed.

(3) PROCEDURE AND TIMELINE. (ag) *Generally.* This subsection contains the exclusive procedure by which administrative challenges to nomination papers may be brought before the filing officer. Pursuant to s. 227.27 (1), Stats., it is the manifest intent of the commission that s. 990.001 (4), Stats., does not apply to the deadlines in this subsection.

(ar) *Form of challenges to nomination papers.* A challenge is a short, plain statement of the basis upon which the challenger seeks to invalidate any signatures on one or more nomination papers. All factual allegations upon which the challenge relies shall be verified by one or more persons who certify that they possess personal knowledge of the facts alleged therein. Individuals other than the challenger may support a challenge with sworn affidavits or declarations pursuant to s. 887.015, Stats. A brief or summary of the legal standards applicable to a challenge and their application to the alleged facts may be filed simultaneously with, or as a part of, the challenge and any affidavits or declarations pursuant to s. 887.015, Stats. The brief or summary need not be verified, but if it is prepared by an attorney, that attorney shall sign the brief and that signature shall meet the requirements of s. 802.05, Stats.

(b) *Deadlines for filing a challenge.* Any challenge shall be filed by 5 p.m. on the 3rd calendar day after the filing deadline for the challenged nomination papers. The challenge shall be in the physical or electronic possession of the filing officer by 5 p.m on the challenge deadline. If a challenge is submitted on a Saturday, Sunday, or legal holiday, it shall be submitted via facsimile transmission or electronic mail. Challenges received after 5 p.m. on the challenge deadline shall not be accepted.

(c) *Filing challenges to nomination papers.* 1. 'Filing challenges electronically to nomination papers.' A challenger may choose to file a challenge electronically. The filing officer will make instructions for filing challenges electronically publicly available no less than 24 hours before the challenge deadline. Challenges that are filed electronically shall conform to those instructions. If the challenge and all supporting materials are filed in electronic form, the filing officer shall electronically transmit a copy of the challenge to the challenged candidate no later than 4 hours after the deadline for filing of the challenge complaint.

2. 'Filing challenges in paper form to nomination papers.' If the challenge and supporting materials are filed in paper form, the filing officer shall deliver a copy to the challenged candidate, either in paper or electronic form, no later than noon the day after the challenge is filed.

3. 'Required notice to candidate.' Regardless of how a nomination paper challenge is filed, the filing officer shall also provide the challenged candidate with a copy of the challenge, notice of the response deadline, notice of how and when the challenged candidate may file rebuttal, as well as notice that the procedures governing nomination paper challenges are governed by this chapter.

(d) *Clear, convincing, and satisfactory evidence.* The challenge shall be established by clear, convincing, and satisfactory evidence, presented in the sworn challenge, an accompanying affidavit, or exhibits, which demonstrate that the nomination papers are not substantially compliant. The filing officer shall review the evidence submitted when deciding the challenge.

(e) *Candidate response.* A response to a challenge is a short, plain statement of the basis upon which the challenged candidate asserts that any challenged signatures on one or more nomination papers, or the nomination papers themselves, are valid. All factual allegations upon which the response relies shall be verified by one or more persons with personal knowledge of the facts alleged therein. Individuals other than the challenged candidate may support a response with additional affidavits. A brief or summary of the legal standards applicable to the challenged signatures or pages and the application of those legal standards to the alleged facts may be filed simultaneously with the response and any affidavits. The brief or summary need not be verified, but if it is prepared by an attorney that attorney shall sign the brief

Published under s. 35.93, Wis. Stats., by the Legislative Reference Bureau.

and that signature shall meet the requirements of s. 802.05 (1), Stats.

(f) *Candidate response deadline.* If the challenged candidate elects to file a response to the nomination papers, that response shall be filed by the candidate challenged by 5 p.m. of the 3rd calendar day after the date the challenge was filed. The response shall be in the physical or electronic possession of the filing officer by 5 p.m. of the response deadline. If a response is submitted on a Saturday, Sunday, or legal holiday, it shall be submitted via facsimile transmission or electronic mail. Responses received after 5 p.m. on the response deadline shall not be accepted. If the challenged candidate elects to file a response and any correcting affidavits electronically, the filing officer shall electronically transmit a copy of those materials to the challenger within 4 hours of the deadline for filing those materials; if the challenge and supporting materials are filed in paper form, the filing officer shall deliver a copy to the challenger, either in paper or electronic form, no later than noon the day after those materials are filed.

(g) *Challenger rebuttal.* If a challenged candidate files a response and one or more correcting affidavits, the challenger may file a short rebuttal brief and one or more rebuttal affidavits. If the challenger elects to file a rebuttal brief and rebuttal affidavits, those materials shall be filed by the challenger within 24 hours of the filing officer's transmission of the response or correcting affidavits. Whenever the rebuttal deadline in this paragraph would occur after 10 a.m. on the deadline for the filing officer to certify the names of candidates to appear on the ballot, the deadline to file the rebuttal is 10 a.m. on that day. A rebuttal brief need not be verified, but if it is prepared by an attorney, that attorney shall sign the brief and that signature shall meet the requirements of s. 802.05, Stats. The rebuttal brief and rebuttal affidavits shall be in the electronic possession of the filing officer within 24 hours from the filing officer's transmission of the response and any correcting affidavits. Any rebuttal brief and any rebuttal affidavits shall be submitted via facsimile transmission or electronic mail. Paper copies of rebuttal briefs and rebuttal affidavits will not be accepted. Rebuttal briefs and rebuttal affidavits received after the applicable deadline shall not be accepted.

(h) *Filing officer decision.* After the deadline for filing any rebuttal brief and rebuttal affidavits, but not later than the date for certifying candidates to the ballot, the filing officer shall decide the challenge. The filing officer may, in the officer's discretion, elect to hold a hearing if the filing officer determines that a hearing would assist him or her in the adjudication of the challenge. The filing officer is not required to hold a hearing.

(i) *Hearing.* If the filing officer elects to hold a hearing, the procedures for the hearing shall accord with this paragraph. The hearing shall be noticed in advance in compliance with s. 19.84, Stats., and shall be open to the public in compliance with ss. 19.83, 19.88, 19.89, and 19.90 Stats. The filing officer shall conduct the hearing in a manner that affords the same offered rights and opportunities to all parties. If the filing officer elects to accept oral presentations from the parties or their assigned representative, the same opportunity shall be afforded to all parties. Factual evidence being offered as oral testimony shall not be received at a hearing unless the filing officer elects to swear in witnesses, in which case all witnesses shall be sworn in.

(j) *Deadlines in case of filing extension.* In the event an extension is necessary for any office pursuant to s. 8.10 (2) (a), 8.15 (1), or 8.20 (8) (a), Stats., the deadlines in pars. (b), (f), and (g) do not apply. Instead, the filing officer shall calculate the deadlines for the challenge, response, and rebuttal under this paragraph. Pursuant to s. 227.27 (1), Stats., it is the manifest intent of the commission that s. 990.001 (4), Stats., does not apply to the deadlines in this paragraph. The filing officer shall calculate the total number of hours between the extended filing deadline and 10 a.m. on the day of the deadline for the filing officer to certify the names of candidates to the ballot. The filing officer shall then divide that number by 2 so that there is an equal number of hours allotted to file a challenge and file a response. From each of these totals, the filing officer shall subtract an equal number of hours to form a rebuttal deadline, which shall not exceed 24 hours. The filing officer shall communicate the deadlines to the public by all reasonable methods as soon as they know an extension will be necessary. The communication shall include the specific office that was extended, and shall specify that the extension challenge deadlines are for that office only.

(4) BURDENS. The initial burden is on the challenger to establish any deficiency in the challenged candidate's nomination papers. If the challenger makes an initial showing by clear, satisfactory and convincing evidence that establishes one or more of the challenged candidate's nomination papers is deficient, the burden shifts to the challenged candidate to establish the validity of their nomination papers by clear, satisfactory and convincing evidence.

(5) BASIS FOR CHALLENGES. (ag) *Generally.* A challenge to the validity of nomination papers may be brought on one or more of the grounds in this subsection. The challenge shall specify one or more of the following ground or grounds:

(ar) *Signature line.* Any aspect of individual signature lines of signers may be challenged, including the form of the signature itself, the information provided by the signer, the signer's eligibility to sign the nomination paper, and the fact that a signer signed one candidate's nomination papers more than once or signed the nomination papers of more than one candidate for the same office. The filing officer shall rely upon s. EL 2.05 when determining challenges to signature line. If a challenger establishes that the information provided by a signer is not substantially compliant, the signer's signature may not be counted. The invalidity or disqualification of one or more signatures by a signer on a nomination paper does not necessarily affect the validity of any other signatures by signers on that nomination paper.

(b) *Header.* Any aspect of the header of the nomination paper, as defined by s. EL 2.05 (1) (m) may be challenged. The filing officer shall rely upon s. EL 2.05 when determining challenges to the header. If the filing officer sustains a challenge to the header of a nomination paper, none of the signatures on that page may be counted.

(c) *Circulation.* Any aspect of how a candidate circulated their nomination papers may be challenged. A challenge may be brought against any aspect of how a qualified circulator circulated a candidate's nomination papers, including the signature, date of signature, certification, or eligibility of the qualified circulator. A challenge brought against the certification includes a challenge that a qualified circulator did not comply with any of the statements contained within the certification. The filing officer shall rely upon s. EL 2.05 when determining challenges to the qualified circulator of nomination papers. If the filing officer sustains a challenge to the circulation of the nomination papers, none of the signatures on that page may be counted.

(d) *Filing.* Any aspect of how a candidate filed their nomination papers may be challenged. If the filing officer sustains a challenge to how the nomination papers were filed, none of the signatures on any of the filed pages may be counted.

(6) DECISION OF FILING OFFICER. If the filing officer elects not to hold a hearing, the filing officer shall promptly issue a written decision on the challenge and a signed order memorializing their disposition of the challenge not later than the date for certifying candidates to the ballot. If the filing officer elects to hold a hearing and announces an oral ruling during that hearing, any party seeking to appeal from the filing officer's adjudication

Published under s. 35.93, Wis. Stats., by the Legislative Reference Bureau.

of a challenge decided at the hearing may submit a proposed order, memorializing the filing officer's ruling, to the filing officer for adoption and signature. The filing officer shall promptly transmit all signed orders to the challenger and the challenged candidate electronically. The filing officer may draft and sign their own order rather than using a version proposed by any party.

(7) APPEAL. Any order of a local filing officer disposing of a challenge may be appealed to the commission pursuant to s. 5.05 or 5.06, Stats. Pursuant to s. 227.27 (1), Stats., it is the manifest intent of the commission that s. 990.001 (4), Stats., does not apply to the deadlines in this subsection. The party aggrieved by the filing officer's decision shall notify the commission of its intent to appeal within 48 hours of receipt of the filing officer's signed order. The commission administrator, in consultation with the commission chair, shall establish a briefing schedule that will allow for commission decision before the deadlines for ballot printing. Any signed order of the commission disposing of a challenge or adjudicating an appeal from a local filing officer's order disposing of a challenge may be appealed to a circuit court pursuant to s. 5.06 (8), Stats.

EL 2.08 Challenges to declarations of candidacy.

(1) DEFINITIONS. (a) All applicable definitions from ss. EL 2.05 (1), 2.06 (1), and 2.07 (1) are incorporated into this section.

(b) "Calendar day" includes Saturdays, Sundays, and legal holidays.

(2) PROCEDURE AND TIMELINE. (ag) *Generally.* Any challenge to the sufficiency of a declaration of candidacy brought under this subsection shall be filed with the appropriate filing officer by the candidate or by the candidate's proxy or legal representative. Pursuant to s. 227.27 (1), Stats., it is the manifest intent of the commission that s. 990.001 (4), Stats., does not apply to the deadlines in sub. (6). The filing officer shall apply the standards in s. EL 2.06 and s. 8.21, Stats., to determine the sufficiency of the declaration of candidacy. This subsection contains the exclusive procedure by which administrative challenges to a declaration of candidacy may be brought before the filing officer. The filing officer shall make a declaration of candidacy available for public inspection, either physically or electronically, within one business day of when it is filed.

(ar) *Form of challenges to declarations of candidacy.* A challenge is a short, plain statement of the basis upon which the challenger seeks to invalidate a declaration of candidacy filed by a candidate. All factual allegations upon which the challenge relies shall be verified by one or more persons who certify that they possess personal knowledge of the facts alleged therein. An individual other than the challenger may support a challenge with sworn affidavits or declarations pursuant to s. 887.015, Stats. A brief or summary of the legal standards applicable to a challenge and their application to the alleged facts may be filed simultaneously with, or as part of, the challenge and any affidavits or declarations pursuant to s. 887.015, Stats. The brief or summary need not be verified, but if it is prepared by an attorney, that attorney shall sign the brief and that signature shall meet the requirements of s. 802.05, Stats.

(b) *Deadlines for filing a challenge.* Any challenge shall be filed by 5 p.m. on the 3rd calendar day after the filing deadline for the challenged declaration of candidacy. The challenge shall be in the physical or electronic possession of the filing officer by 5 p.m. of the challenge deadline. If a challenge is submitted on a Saturday, Sunday, or legal holiday, it shall be submitted via facsimile transmission or electronic mail. Challenges received after 5 p.m. on the challenge deadline shall not be accepted.

(c) *Filing a challenge to a declaration of candidacy.* 1. 'Filing a challenge electronically to a declaration of candidacy.' A challenger may choose to file a challenge electronically. The filing officer will make instructions for filing challenges electronically publicly available no less than 24 hours before the start of the circulation period. A challenge that is filed electronically shall conform to those instructions. If the challenge and all supporting materials are filed in electronic form, the filing officer shall electronically transmit a copy of the challenge to the challenged candidate no later than 4 hours after the deadline for filing the challenge complaint.

2. 'Filing a challenge in paper form to a declaration of candidacy.' If the challenge and supporting materials are filed in paper form, the filing officer shall deliver a copy to the challenged candidate, either in paper or electronic form, no later than noon the day after the challenge is filed. Along with a copy of the challenge, the filing officer shall also provide the challenged candidate with notice of the response deadline, as well as notice that the procedures governing declaration of candidacy challenges are covered by this chapter.

(d) *Clear, satisfactory, and convincing evidence.* The challenge shall establish by clear, satisfactory, and convincing evidence, presented in the sworn challenge, an accompanying affidavit, or exhibits, which demonstrate that the declaration of candidacy is insufficient. The filing officer shall review the evidence submitted when deciding the challenge.

(e) *Candidate response.* A response to a challenge is a short, plain statement of the basis upon which the challenged candidate asserts that their declaration of candidacy is sufficient pursuant to s. 8.21, Stats. All factual allegations upon which the response relies shall be verified by one or more persons with personal knowledge of the facts alleged therein. An individual other than the challenged candidate may support a response with additional affidavits. A brief or summary of the legal standards applicable to the challenged declaration of candidacy and the application of those legal standards to the alleged facts may be filed simultaneously with the response and any affidavits. The brief or summary need not be verified, but if it is prepared by an attorney, that attorney shall sign the brief and that signature shall meet the requirements of s. 802.05, Stats.

(f) *Candidate response deadline.* If the challenged candidate elects to file a response to the challenge to their declaration of candidacy, that response shall be filed, by the candidate challenged, by 5 p.m. of the 3rd calendar day after the date the challenge was filed. The response shall be in the physical or electronic possession of the filing officer by 5 p.m. of the response deadline. If a response is submitted on a Saturday, Sunday, or legal holiday, it shall be submitted via facsimile transmission or electronic mail. Responses received after 5 p.m. on the response deadline shall not be accepted. If the challenged candidate elects to file a response or any correcting affidavits electronically, the filing officer shall electronically transmit a copy of those materials to the challenger within 4 hours of the deadline for filing those materials; if the challenge and supporting materials are filed in paper form, the filing officer shall deliver a copy to the chal-

lenger, either in paper or electronic form, no later than noon on the day after those materials are filed.

(g) *Challenger rebuttal.* If a challenged candidate files a response, the challenger may file a short rebuttal brief and one or more rebuttal affidavits. If the challenger elects to file a rebuttal brief and rebuttal affidavits, those materials shall be filed by the challenger within 24 hours of the filing officer's transmission of the response. If the challenger elects to file a rebuttal brief and rebuttal affidavits, those materials shall be filed by the challenger within 24 hours of the filing officer's transmission of the response or correcting affidavits. Whenever the rebuttal deadline in this paragraph would occur after 10 a.m. on the deadline for the filing officer to certify the names of candidates to appear on the ballot, the deadline to file the rebuttal is 10 a.m. on that day. A rebuttal brief need not be verified, but if it is prepared by an attorney that attorney shall sign the brief and that signature shall meet the requirements of s. 802.05, Stats. The rebuttal brief and rebuttal affidavits shall be in the electronic possession of the filing officer within 24 hours from the filing officer's transmission of the response. Any rebuttal brief and any rebuttal affidavits shall be submitted via facsimile transmission or electronic mail. Paper copies of rebuttal briefs and rebuttal affidavits will not be accepted. Rebuttal briefs and rebuttal affidavits received after the applicable deadline shall not be accepted.

(h) *Filing officer decision.* After the deadline for filing any rebuttal brief and rebuttal affidavits, but not later than the date for certifying candidates to the ballot, the filing officer shall decide the challenge. In deciding the challenge, the filing officer may elect to hold a hearing if the filing officer deems that such a hearing would assist them in the adjudication of the challenge. A filing officer is not required to hold a hearing.

(i) *Hearing.* If the filing officer elects to hold a hearing, the procedures for the hearing shall accord with this paragraph. The hearing shall be noticed in advance in compliance with s. 19.84, Stats., and shall be open to the public in compliance with ss. 19.83, 19.88, 19.89, and 19.90, Stats. The filing officer shall conduct the hearing in a manner that affords the same offered rights and opportunities to all parties. If the filing officer elects to accept oral presentations from the parties or their assigned representative, the same opportunity shall be afforded to all parties. Factual evidence being offered as oral testimony shall not be received at a hearing unless the filing officer elects to swear in witnesses, in which case all witnesses shall be sworn in.

(j) *Deadlines in case of filing extension.* In the event an extension is necessary for any office pursuant to ss. 8.10 (2) (a), 8.15 (1), 8.20 (8) (a), Stats., the deadlines in pars. (b), (f), and (g) do not apply. Instead, the filing officer shall calculate the deadlines for the challenge, response, and rebuttal under this paragraph. Pursuant to s. 227.27 (1), Stats., it is the manifest intent of the commission that s. 990.001 (4), Stats., does not apply to the deadlines in this paragraph. The filing officer shall calculate the total number of hours between the extended filing deadline and 10 a.m. on the day of the deadline for the filing officer to certify the names of candidates to the ballot. The filing officer shall then divide that number by 2 so that there is an equal number of hours allotted to file a challenge and file a response. From each of these totals, the filing officer shall subtract an equal number of hours to form a rebuttal deadline, which shall not exceed 24 hours. The filing officer shall communicate the deadlines to the public by all reasonable methods as soon as they know an extension will be necessary. The communication shall include the specific office that was extended, and shall specify that the extension challenge deadlines are for that office only.

(3) BURDENS. The initial burden is on the challenger to establish any deficiency in the challenged candidate's declaration of candidacy. If the challenger makes an initial showing by clear, satisfactory, and convincing evidence that establishes the declaration of candidacy is insufficient pursuant to s. 8.21, Stats., the burden shifts to the challenged candidate to establish the sufficiency of the declaration of candidacy by clear, satisfactory, and convincing evidence.

(4) BASIS FOR CHALLENGES. (ag) *Generally.* An administrative challenge to the sufficiency of a declaration of candidacy under this section may only be brought on one or more grounds in this subsection. The challenge shall allege with specificity the ground or grounds of each challenge.

(ar) *Certification, missing information.* A challenge may be brought if any of the information in the candidate certification section is missing or incomplete, including the candidate's name and the official name of the office.

(b) *Certification, qualifications.* A challenge may be brought to the candidate's certification on the declaration of candidacy that they possess qualifications to run for the office identified. A challenge under this ground shall be limited to the sworn statements that are required by s. 8.21 (2) and (4), Stats. A challenge to sworn statements required by s. 8.21 (4), Stats., shall only be brought against candidates for state and local office.

(c) *Candidate address.* A challenge under this ground may only be brought against candidates for state and local office pursuant to s. 8.21 (4), Stats. A challenge may be brought if the present address, including the municipality for voting purposes, is missing, incomplete, or incorrect. A challenge may also be brought under this ground if this information is inconsistent with a candidate's nomination papers.

(d) *Candidate name on ballot.* A challenge may be brought if the name the candidate wishes to appear on the ballot is missing. A challenge may also be brought under this ground if this information is inconsistent with a candidate's nomination papers. A challenge may also be brought if the intended name of the candidate on the ballot contains the word "incumbent," includes a professional title, or includes an attempt to manipulate the electoral process. This paragraph cannot serve as a basis for a challenge for an incomplete name if the candidate has provided a last name plus first name, nickname or initial, middle name, or former legal surname, provided the name does not otherwise violate this paragraph and also does not include quotation marks or parentheses.

(e) *Sworn statement.* A challenge may be brought if the declaration of candidacy has not been sworn to before any officer authorized to administer oaths per s. 8.21 (2) and (5), Stats.

(f) *Timeliness of filing.* A challenge may be brought if the declaration of candidacy was not timely filed pursuant to s. 8.21 (1), Stats.

(5) DECISION OF FILING OFFICER. Pursuant to s. 227.27 (1), Stats., it is the manifest intent of the commission that s. 990.001 (4), Stats., does not apply to the deadlines in this section. If the filing officer elects not to hold a hearing, the filing officer shall promptly issue a written decision on the challenge and a signed order memorializing their disposition of the challenge not later than the deadline for certifying candidates to the ballot. If the filing officer elects to hold a hearing and announces an oral ruling during that hearing, any party seeking to appeal from the filing officer's adjudication of a challenge decided at the hearing may submit a proposed order, memorializing the filing officer's ruling, to the filing officer for adoption and signature. The filing officer shall promptly transmit all signed orders to the challenger and challenged candidate electronically. The filing officer may draft and sign their own order rather than using a version proposed by any party.

(6) APPEAL. Any order of a local filing officer disposing of a challenge may be appealed to the commission pursuant to ss. 5.05 or 5.06, Stats. Pursuant to s. 227.27 (1), Stats., it is the manifest

intent of the commission that s. 990.001 (4), Stats., does not apply to the deadlines in this subsection. The party aggrieved by the filing officer's decision shall notify the commission of its intent to appeal within 48 hours of receipt of the filing officer's signed order. The commission administrator, in consultation with the commission chair, shall establish a briefing schedule that will allow for a commission decision before the deadlines before ballot printing. Any signed order of the commission disposing of a challenge or adjudicating an appeal from a local filing officer's order disposing of a challenge may be appealed to a circuit court pursuant to s. 5.06 (8), Stats.
